BARTERING IN MESOPOTAMIA

- Were you able to acquire all of the goods you needed? If you were able to, how did you do it? If you were not able to, why not?

- What strategy did you use to try to acquire the goods you needed?

- Did some goods have greater value than others? If so, why do you think they were more valuable? If not, why were the goods equal in value?

- Do you think bartering is easier or harder than using currency? Explain your answer.
