

Name: _____ Date: _____ Hour: _____

HOMEWORK: Identify the location of the following countries and be able to describe the current events that are taking place in the region. Refer to the many articles we have read in class.

1. Label and shade the country on the map below.

Iran, Syria, Egypt, Dubai (located in the United Arab Emirates) and Turkey

2. Understand and describe the current events associated with each country or region.

Country	Current Events
Iran	The leader of this country has opened up talks with the USA regarding peaceful relations and eliminating their nuclear weapons program
Turkey	This country is feeling economic stress due to the refugee problem due to a neighbor's civil war.
Egypt	This country has experienced two revolutions in the last three years.
Syria	A civil war between the dictator-led government and rebels has been going on here for 3 years.
Dubai	This major city in the United Arab Emirates has modified their landscape using terraforming (island building.)
