

Edmodo Getting Started

1. Open up your Internet browser and go to <http://www.edmodo.com>
2. You will either make a new account or access your old account and just add the group associated with your hour.

You already have an account. If you forgot your password click on "forgot password."

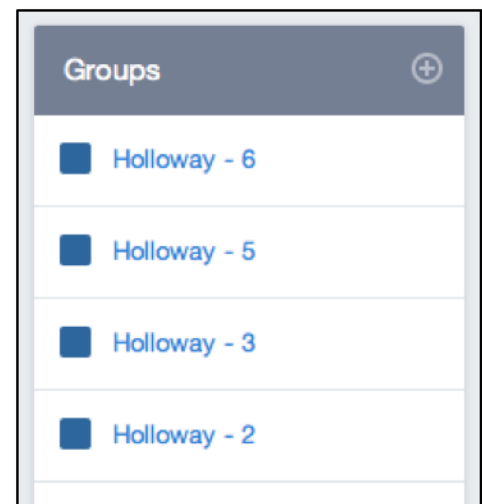

Create a new account. Use STUDENT. I would suggest using your RCS gmail account.

Example - ghollo1234@rcs-k12.us
password = rcsgh1234

3. Once you have logged in you will need to join on of the class groups. They are organized by hour. Use the code associated with your hour.

Click on the **+ next to Groups** and enter the code associated with your class. You will not see all of the classes listed below. You will see only the classes you are enrolled in or added to.

Hour 2 - fvrczk
Hour 3 - dqmxn8
Hour 5 - zx638j
Hour 6 - 5be2fr

4. You have created your account and joined our class group. Make sure you write down you Edmodo user ID and PW somewhere safe.
