

Ice Man Murder Mystery: Ötzi

Following are questions for the documentary on Ötzi. Please answer each question completely.

1. Keep an ongoing list here about Ötzi (What are the facts? What was he found with? What were they learning about him?) You should have at least 10 things listed (from the movie-use no other sources). You should continually be coming back to this question throughout the video. Answers may vary.

2. How long has Ötzi been frozen?
3. How does Ötzi life time compare to when the pyramids were?
4. How does it appear Ötzi died?
5. Where was Ötzi found?
6. Ötzi lived _____ before Christ.
7. Why do you think Ötzi made such a high climb (yes, this is an opinion question)?
8. When they found the arrowhead of stone in his back what kinds of things (at least 2) did it tell the scientists?

OVER ☺

9. Why do scientists believe Ötzi was a figure of importance?

10. Once they located Ötzi's stomach they were able to distinguish his last meal. What was it?

11. After watching this video and studying Ötzi write a detailed account of what you believe the last 30 minutes of Ötzi's life were like. You should have at least 10 sentences and your account must be based on fact (not aliens, etc...).
