

Instructions for homework on map of Regions of the Thirteen Colonies

SOUTHERN COLONIES

- Label the five Southern colonies in pencil.
 - Virginia
 - Maryland
 - South Carolina
 - North Carolina
 - Georgia
- Keep labels horizontal.
- Try not to use labeling lines – Just begin or end your label in the colony.
- If you have to use labeling line keep them
- Double check spelling!
- Blacken your labels with a THIN marker
- Color the region all in one color.
- Label Charles Town (today's Charleston).

BACK COUNTRY

- Label the Appalachian Mountains
- Color/shade and label the backcountry
 - between Appalachian Mountains and the western edge of the colonies
 - Pennsylvania to Georgia
