

Where do you want to live?

Review your chart complete during the gallery walk of the Ancient Civilization billboards. Review your unique research questions on areas you wanted to know more information.

C - Write a claim or thesis statement that identifies the Ancient Civilization you would like to move to.

E - You will need to explain why you selected this place. Use three of the eight features of a civilization.

R - You will need to provide reasoning or details from your research to support each feature.
